# What is the AIDS Delaware Red Ribbon League?

AIDS Delaware Red Ribbon League provides a unique way to support the first AIDS organization in Delaware. As a League member, you are not only helping to fight AIDS, but also inspiring others to join our cause. Your support will provide much needed assistance to those suffering from AIDS and help prevent the future spread of the disease in our state.

League members have the ability to show their support of AIDS Delaware through an economical five-year gift plan. By becoming a member, you will receive special privileges and have your name printed on the League Wall, located in AIDS Delaware's headquarters.

## Purpose:

AIDS Delaware depends on contributions from the community to support our statewide programs and services. We currently operate offices in Wilmington, Smyrna, Seaford, and Rehoboth Beach. In 2006, our case managers assisted over 350 individuals who suffer from HIV/AIDS. We provided food to approximately 1,200 individuals, provided free HIV testing to over 500 individuals, hosted 2,000

community prevention and education programs, and reached over 300,000 Delawareans with our prevention messages on cable television and radio.

For over 20 years, we have worked diligently to keep our operating expenses down, so that 80 cents of every dollar we receive goes directly to our programs and services. However, for us to continue expanding throughout the State, maintaining our current services, developing new programs, and making sure our employees and volunteers have the current technology to better serve our clients, we need your assistance! We have created economical options for you to support AIDS Delaware without making a large donation all at once. Please select the option that is best for you.
